ASSIGNMENT

WHEREAS, I, Norton J. Cooper, of Boca Raton, FL (hereinafter referred to as "the undersigned"), have invented an improvement in a **BOTTLE**, for which the undersigned filed a design application for Letters Patent of the United States of America, **Application No. 29/430,182** in the United States Patent and Trademark Office on **August 22, 2012**;

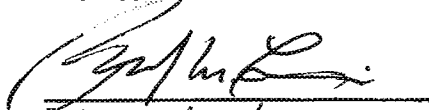

WHEREAS, Chatam International Incorporated, organized and existing under the laws of Delaware, having an address of 1105 N. Market Street, Suite 1300, Wilmington, DE 19801 (hereinafter referred to as "the Assignee"), is desirous of acquiring the entire right, title and interest in said invention and design, said application, and all letters patent and all design registrations issuing for said invention and design;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and of other good and valuable consideration, receipt of which is acknowledged by the undersigned, the undersigned, intending to be legally bound, do hereby sell, assign and transfer to the Assignee and Assignee's legal representatives the entire right, title and interest, for the United States of America, its territories and possessions, and for all foreign countries, in said invention and design, said patent application and all divisions and continuations thereof, all applications for the registration of said design, and in all letters patent including all reissues thereof, issuing for said invention, and all registrations of said design.

It is agreed that the undersigned shall be legally bound, upon request of the Assignee, to supply all information and evidence relating to the making and practice of said invention and design, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention in the United States and foreign countries in the name of the Assignee, and to execute all instruments proper to carry out the intent of this instrument.

The rights and property herein conveyed by the undersigned are free and clear of any encumbrance.
