PATENT

PATENT ASSIGNMENT

In consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, David Hsu, Clinton Yee, Jeffrey G. Giovino, and Ming Wong (collectively hereafter the "Assignors") hereby sell, assign, and transfer to Group-A Autosports, Inc., a California corporation having a principal place of business at 2050 5th Street, Norco, CA 92860 (hereinafter the "Assignee") all of our right, title, and interest, worldwide, in and to U.S. Design Patent Application Serial No. 29/432,949 filed on 09/24/2012 entitled "Portion of an Intake Manifold" (Attorney Docket No. 2012-124); and any continuation, continuation-in-part, divisional, reissue, and/or reexamination application(s) thereof; and any patent(s) issuing therefrom; to the full end of the term or terms for which such patent(s) may issue. Said entire right, title, and interest to be held and enjoyed by the Assignee the same as they would have been held and enjoyed by the Assignors had this assignment not been made.

Assignors further agree to execute all papers necessary in connection with the application and any continuation, continuation-in-part, divisional, reissue, and/or reexamination application(s) thereof; and also to execute separate assignments in connection with such application(s) as the Assignee may deem necessary and/or expedient.

Assignors further agree to execute all papers necessary in connection with any interference proceeding that may be declared concerning the application and any continuation, continuation-in-part, divisional, reissue, and/or reexamination application(s) thereof; and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with the interference.

Assignors further agree to perform all affirmative acts that may be necessary to obtain a grant of a valid United States patent in the name of Assignee.

Assignors represent that they have the full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict therewith.

Assignors hereby grant to Steven N. Fox, Esq., Reg. No. 33,237, an attorney having a principal place of business at 62 South Main Street, Sharon, MA 02067, the power to insert on this assignment any further identification that may be necessary and/or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recording of this document.

IN WITNESS WHEREOF, this Assignment is executed and becomes effective on the date indicated below:
