ASSIGNMENT

This Assignment is made by Earl Arthur Dahlo, of 1403 Mountainview Court, Coquitlam, British Columbia, Canada, V3E 2R9 (the "Assignor") to SWITCHBLADE SPORTS (BC) CORP. having an address for service at c/o 1820-925 West Georgia Street, Vancouver, BC V6C 3L2 (the "Assignee");

WHEREAS, this assignment relates to the invention as described in United States Patent No. 7,243,924 and in Canadian Patent Application No. 2,487,626 entitled ICE SKATE AND ICE SKATE BLADE THEREOF (the "First Invention"), and to the invention as described in Canadian Patent Application No. 2,775,510 and in United States Patent Application No. 13/541,601 entitled DOUBLE-EDGED SKATE BLADE ASSEMBLY AND HOLDER (the "Second Invention"; collectively, the "Inventions");

WHEREAS, Assignor is a named co-inventor of the First Invention and is, by intervening assignment, the sole owner of the worldwide rights in the First Invention and is the sole inventor and owner of the worldwide rights in the Second Invention;

WHEREAS, Assignee desires to acquire by formal, recordable assignment the rights to said Inventions, and any patents that may be granted for said Inventions anywhere in the world;

NOW, THEREFORE, in consideration for the payment of the sum of \$ 10.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire worldwide right, title and interest in and to the First Invention and to said United States Patent No. 7,243,924, Canadian Patent Application No. 2,487,626 and any applications in these and other countries for the First Invention and any patent that may be granted for

said First Invention throughout the world, including the right to file applications directly in the name of the Assignee and to claim for any such applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise;

FURTHER, in consideration for the payment of the sum of \$ 10.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor confirms that he did, effective June 15, 2012, and for greater certainty hereby does, sell, assign and transfer to Assignee the entire worldwide right, title and interest in and to the Second Invention and to said Canadian Patent Application No. 2,775,510, United States Patent Application No. 13/541,601 and any applications in these and other countries for the Second Invention and any patent that may be granted for said Second Invention throughout the world, including the right to file applications directly in the name of the Assignee and to claim for any such applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representative(s) and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing any patent as may issue anywhere in the world for said Inventions, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said Inventions, and any patent presently or to be applied for or granted for said Inventions anywhere in the world.

Further, Assignor agrees to provide, upon request, copies of all documents pertaining to the conception or development of the Inventions.

Assignor represents and warrants that he has not granted and will not grant to any other any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents of Canada, the Commissioner of Patents and Trademarks of the United States and the intellectual property offices of all foreign countries or patent organizations to issue any patent granted for said Inventions, whether on an application already filed or on any subsequently filed priority, division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire right, title and interest in said Inventions.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment on the date(s) written herein below.
