PATENT ASSIGNMENT

This Assignment is to be effective this ____ day of August 2001 and is entered into by and between SPORTBRAIN, INC., a California corporation, ("Sportbrain"); SHERWOOD PARTNERS, INC., a California corporation, solely as Assignee for the Benefit of Creditors of SportBrain, Inc. ("Sherwood"); and HARRY HESLOP, a resident of England ("Assignee").

Sportbrain and/or Sherwood (collectively the "Assignors") own the patents, applications and inventions depicted in Schedule "1" hereto. Sportbrain is the listed owner of these trademarks, applications and registrations with the United States Patent and Trademark Office, and has assigned some or all of its assets to Sherwood.

In return for good and valuable consideration from Assignee, the receipt and sufficiency of which is hereby acknowledged, Sportbrain and Sherwood assign to Assignee, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to the inventions, patents and patent applications listed in Schedule "1" hereto, all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions; and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and the Assignors hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to Assignee. The Assignors further grant to Assignee, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries. The Assignors also agree to cooperate with executing any documents and taking any further steps that may be deemed necessary to accomplish this transfer of rights and Assignee's exercise of such rights and registration of such intellectual property.

Assignors sell, assign, transfer and convey the subject assets identified herein to Heslop "as is," "where is" and make no representations or warranties of any kind, either express or implied, including, without limitation, any liens or encumbrances that may actually exist affecting the subject assets, any warranties of title, and any warranties of merchantability or fitness for a particular purpose.

IN WITNESS WHEREOF, the parties hereto have approved and executed this Assignment on the date set forth opposite their respective signatures.
