ASSIGNMENT

Application No.: 10/583,523
Filing Date: July 24, 2007
Attorney Docket No.: A5-013 US

Inventors:

Masum Choudhury	Moshe Oron
Thomas R. Stanczyk	Dean Richardson
Ram Oron	Ariela Donval

The undersigned hereby assigns to:

MOLEX INCORPORATED, having its principal office at 2222 Wellington Court, Lisle, Illinois 60532 USA, its successors and assigns,

a fifty percent (50%) unrestricted and indivisible ownership right and interest in and to the inventions or improvements of the undersigned disclosed in an application;

and KILOLAMBDA TECHNOLOGIES LTD., having its principal office at 22A Raoul Wallenberg St., Tel Aviv 69719 Israel, its successors and assigns, (collectively referred to herein as "assignees"),

a fifty percent (50%) unrestricted and indivisible ownership right and interest in and to the inventions or improvements of the undersigned disclosed in an application entitled:

SYSTEM AND TAPERED WAVEGUIDE FOR IMPROVING LIGHT COUPLING EFFICIENCY BETWEEN OPTICAL FIBERS AND INTEGRATED PLANAR WAVEGUIDES AND METHOD OF MANUFACTURING SAME

and identified as Attorney Docket No. A5-013 US in the Legal Department of Molex Incorporated, and in said patent application and any and all other applications, including nonprovisional, continuations, divisional and continuation-in-part applications in the United States, international and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignees.

The undersigned hereby authorizes and requests the attorneys of record in said application to insert in this assignment the date of execution of said application, and further warrants that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

The undersigned hereby further agrees, upon the request, and at the expense of said assignees, their successors, legal representatives and assigns, to execute any and all divisional continuation and renewal or substitute applications for said invention or improvements, and any application for the reissue or extension or any request for the reexamination of any Letters Patents that may be granted upon said application, and any necessary oath or supplemental oath or affidavit or declaration relating thereto, that said assignee, their successors, legal representatives and assigns may deem necessary or expedient.

The undersigned further agrees upon the request of said assignees their successors, legal representatives and assigns, in the event that said application or any continuing application thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becomes involved in interference, reexamination or litigation in the courts, to cooperate to the best of my ability with said assignees, their successors, legal representatives and assigns in the matters of preparing the executing preliminary statements and other pleadings and documents and giving and producing evidence in support thereof including testimony in either oral or written form; and the undersigned still further agrees to perform upon such request any and all affirmative acts to obtain any said Letters Patent, and vest all rights therein hereby conveyed in the said assignees, their successors, legal representatives and assigns to the end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I hereby also assign to said assignees, their successors, legal representatives and assigns the entire right, title and interest in said invention or improvements for any and all foreign countries and the right of priority for patent and utility model applications in all countries arising under any applicable international convention for the protection of industrial property and/or any internal priority legislation of such countries, and I further agree upon the request of said assignees, their successors, legal representatives and assigns to execute any and all documents that shall be required to be executed in connection with any and all applications for foreign Letters Patent therefore, including the prosecution thereof and litigation relative thereto, and to execute any and all documents necessary to invest title in said foreign applications and patents in said assignee.

IN WITNESS WHEREOF, I have executed this instrument on the date indicated below:
