PATENT

DECLARATION (37 C.F.R. 1.63) FOR UTILITY PATENT APPLICATION USING AN
APPLICATION DATA SHEET (37 C.F.R. 1.76) AND ASSIGNMENT

TITLE OF INVENTION: SOFTWARE INCREMENTAL LOADER

As a below named inventor, I hereby declare that:

This declaration is directed to:

☒ The attached application, or

☐ United States application or PCT international application number _____ filed on _____

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the application, including the claims.

I am aware of the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR Section 1.56.

For value received, each undersigned inventor, hereby sells, assigns and transfers to Time Warner Cable Inc., a Delaware corporation having a place of business at 60 Columbus Circle, New York, NY 10023, United States of America, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions disclosed in the above-identified patent application, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and each undersigned inventor also concurrently hereby sells, assigns and transfers to Time Warner Cable Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

Each undersigned inventor authorizes Time Warner Cable Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from each undersigned inventor, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

Each undersigned inventor hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Time Warner Cable Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

Each undersigned inventor requests that any and all patents for said inventions be issued to Time Warner Cable Inc. in the United States and in all countries foreign to the United States, or to such nominees as Time Warner Cable Inc. may designate.

Each undersigned inventor agrees that, when requested, he or she shall, without charge to Time Warner Cable Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
