ASSIGNMENT

WHEREAS, we, Howard C. Chasteen of 9829 Otis Drive, Westminster, CO 80021, and Mark A. Jacober of 6027 Moore Street, Arvada, CO 80004 have invented a certain new and useful invention entitled "Contoured Neck for a Beverage Container", for which an application for Letters Patent of the United States has prepared and filed on August 29, 2012, receiving Serial No. 29/430,744 and further identified as Attorney File No. 1604-702;

NOW THEREFORE, be it known that we, the said inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, Ball Corporation, an Indiana corporation having a place of business at 10 Longs Peak, Broomfield, Colorado 80021-2510, its successors, legal representatives and assigns, the aforesaid application and the invention described therein for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty, and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; we also assign any right, title or interest in and to the invention which has not already been transferred to the assignee; we warrant that we have made no assignment of the invention, application or patent therefor to a party other than Ball Corporation, and we are under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and we further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Ball Corporation, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.
