## ASSIGNMENT

---

### WHEREAS:

R&B Marketing Corp. (hereinafter "Assignor"), having a place of business at 547 Ford Road, Gaffney, SC 29340, USA, is the owner of certain patents, patent applications, provisional patent applications, and utility models (hereinafter "the Intellectual Property") as set forth in Schedule A (attached), filed in the various national and international patent offices; and

### WHEREAS:

The Ipe Clip Fastener Co., LLC (hereinafter "Assignee"), a Florida limited liability company having a place of business at 2111 58th Avenue E, Bradenton, FL 34203, USA, desires to acquire all rights and title in the Intellectual Property and any improvements thereon, including rights for the entire term afforded by any Provisional Patent Applications, Non-provisional Patent Applications, Re-issues, Re-examinations, Continuations, Divisionals, Continuations-in-part, Designs, and/or Substitute Patent Applications, as well as rights to the entire term of any counterpart Foreign Patent Applications, including any applications filed under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and the Foreign National Patent Applications that may be derived therefrom, as well as any Utility Model Applications, and Design Applications, and rights to the entire term of any Patents, Certificates and/or Registrations that may be granted upon any of the foregoing applications, and any priority rights (*i.e.*, the right to claim the benefit of priority) to any of the foregoing Applications and/or Patents in whole or part, any Inventor's Certificates, and any and all other like rights of exclusion (hereinafter "Inventions").

### THEREFORE:

For valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby assigns to Assignee one hundred percent of its collective rights, titles and interests in the Inventions, including rights for the entire term afforded by the aforementioned applications, patents, and registrations, as well as such rights as may be acquired for the entire term of any additional applications, and Assignor authorizes Assignee to apply in all countries in its name or in Assignor's name for any such rights as have been named in the foregoing section. Assignor authorizes the rights, titles and interests to be held and enjoyed by the Assignee and Assignee's successors and assigns as fully and exclusively as they would have been held and enjoyed by Assignor had this Assignment not been made. Assignor hereby covenants that it has full right to convey the entire interest herein assigned and that no agreement has been executed or will be executed in conflict herewith.

Assignor further agrees to: a) cooperate with Assignee, its heirs, assigns and legal representatives in the prosecution of each and every Patent, Patent Application and like document relating to rights of exclusion resulting from this Assignment; b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and c) perform such other acts as Assignee lawfully may request to obtain to maintain the rights, titles and interests granted herein without further compensation to Assignor, his heirs or legal representatives.
