WITNESSETH:

WHEREAS, Pursuant to a Loan and Security Agreement dated November 18, 2011, as amended from time to time (the "Loan Agreement"), Releasee granted to Source, as agent for the Lenders named in the Loan Agreement, a continuing security interest in, and a continuing lien upon, the Collateral (as that term is defined in the Loan Agreement), including the patents listed on the annexed Schedule 1, and all applications, registrations, renewals and proceeds (including accounts receivable and royalties) thereof (the "Patents"). WHEREAS, Releasers wishes to release all of their interest in the Patents in the records of the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Releasor does hereby release, without recourse, representation or warranty, its security interest in, to or under all of the Patents, and any right, title and interest of each Releasor in, to and under the Patents shall hereby cease and become void.
