## ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made this 6 day of November, 2012, by Charles C. Costa (hereinafter referred to as Assignor), residing at 115 Canoe Brook Road, Trumbull, Connecticut 06611:

### WITNESSETH:

WHEREAS, Assignor has invented certain new and useful improvements in KNIFE HANDLE, set forth in an application for a Design Patent of the United States, filed herewith; and

WHEREAS, Victorinox Swiss Army, Inc., having its principal place of business at 7 Victoria Drive, Monroe, Connecticut 06468 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and said Application for Design Patent of the United States, and in and to any Design Patent of the United States to be obtained therefor and thereon.

NOW, THEREFORE, for good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns together with the right to claim priority therefrom, the entire right, title and interest in and to the above-mentioned invention and Application for Design Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part thereof, and any and all Design Patents in the United States and in all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions thereof, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which such Design Patent or patents may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and

delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the said invention and application for Design Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Design Patent and applications for Design Patent for said invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall so advise, and in any proceeding in connection with said invention, or said application for Design Patent, or any proceeding in connection with any Design Patent or application for Design Patent for said invention in any country, including but not limited to interference proceedings, when such assistance is lawful and desirable; or, when in any division, continuation or continuation-in-part of any application for Design Patent, or any reissue, reexamination or extension of any Design Patent, to be obtained thereon, such assistance is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patents and Trademarks to issue said Design Patent of the United States to Assignee, as Assignee of said invention and the Design Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
