PATENT ASSIGNMENT

This assignment made on October 21, 2012 by William Bevly Morgan, Connie Lyn Morgan, and Trent Matthew Schultz (Assignors) to Kirby Morgan Dive Systems, Inc. having a place of business at 425 Garden Street, Santa Barbara, CA 93101 (Assignee);

WHEREAS, Assignors have invented a new, original and useful invention entitled Head Cushion (Invention) for which a United States patent application will be filed, further identified by Cisló & Thomas' Docket No. 12-26957 (Patent Application);

WHEREAS, Assignors believe themselves to be the original joint inventors of a claimed invention in the Patent Application;

WHEREAS, the above-identified Patent Application was made or authorized to be made by us; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment their entire right, title, and interest in and to said Invention(s), and said Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, their entire right, title, and interest in and to said Invention, and said Patent Application for said Invention in the United States and throughout the world, including the exclusive right to file any provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, foreign, or other application based on the Invention directly in the name of Assignee and to claim any priority rights to which

such applications are entitled under international conventions, treaties, or otherwise.

Further Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and Assignors will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Patent Application in the United States and throughout the world for said Invention(s), and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Invention, and said Patent Application filed, and any patents granted for said Invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patent granted for said Invention(s), whether on an application for said Invention, said Patent Application, or on any subsequently filed provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, or other application, to Assignee, its successors and assigns, as the assignee of their entire interest in said Invention.
