ASSIGNMENT

For good and valuable consideration of which we acknowledge receipt, we:

Timothy Warren Brown of Erie, Pennsylvania
 Ajith Kuttannair Kumar of Erie, Pennsylvania
 Henry Todd Young of North East, Pennsylvania

hereby sell and assign to General Electric Company of One River Road, Schenectady, New York, 12345 USA, (hereinafter referred to as "Assignee"), its successors and assigns our entire respective rights, titles and interests in and to the invention and improvements invented and originated by us and described in the United States Patent Application Serial No. 12/026,976 filed February 6, 2008 entitled Automatic Brake Verification System, and any and all applications for patent and patents therefrom in any and all countries, including all divisions, continuations, reexaminations and reissues thereof, and all rights of priority resulting from the filing of said United States application, and authorize and request any official whose duty it is to issue patents, to issue any patent on said inventions and improvements resulting therefrom to said Assignee, or its successors or assigns and agree that on request and without further consideration, but at the expense of said Assignee, we will communicate to said Assignee or its representatives or nominees any facts known to me/us respecting said inventions and improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, reexamination and reissue applications, make all rightful oaths and generally do everything possible to aid said Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for said invention and its improvements in all countries.
