**ASSIGNMENT**

WHEREAS, WE, Mark Henry Naedler, Derek Carter and Wesley P. Machalcik (Assignors), have invented certain improvements in "Seat Assembly for Isolating Fracture Zones in a Well," for which we have filed an application for Letters Patent of the United States of America on November 14, 2011, as Application Serial No. 61/559,494; and

WHEREAS, UTEX Industries, Inc., a corporation organized and existing under the laws of the State of Texas, is desirous of obtaining the entire right, title, and interest in, to and under the said invention and the said application in the United States of America and in any and all countries foreign thereto;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said UTEX Industries, Inc., its successors, legal representatives, and assigns, the entire right, title, and interest in, to and under the said invention, and the said application, and all corresponding patent applications as well as all divisional, renewal, substitutional, continuing and continuation-in-part applications thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention in any country or countries foreign to the United States of America, and all extensions, renewals, and reissues thereof, and all prior patents and patent applications from which a filing priority of the above-described patent application may be obtained, including the right to collect past damages; and we hereby authorize and request the Commissioner of Patents of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to the said UTEX Industries, Inc., its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to said UTEX Industries, Inc., its successors, legal representatives and assigns, any facts known to me respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, renewal, substitutional, continuing, continuation-in-part and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the said UTEX Industries, Inc., its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.
