ASSIGNMENT

WHEREAS, **MARK A. PRESSER**, residing at Los Angeles, CA, has made certain new and useful inventions in a **HANGER HOOK** and has disclosed the same in applications for Letters Patent of the United States therefor, said applications having been filed with the U.S. Patent and Trademark Office on November, 9, 2011, bearing Serial No. 29/406,078, Serial No. 13/292,982 filed on November 9, 2011, and Serial No. 29/412,755 filed February 7, 2012; and

WHEREAS, **PRESSER INTERNATIONAL, LLC**, a California Limited Liability Company organized and existing under the laws of the State of California and having offices at 9600 Cattaraugus Avenue, Los Angeles, CA 90034 (hereafter called the "Assignee") is desirous of acquiring the entire interest in all inventions disclosed in said applications;

NOW, THEREFORE, in consideration of good and valuable consideration paid to me by said Assignee, the receipt and sufficiency whereof is hereby acknowledged, I do hereby sell, assign, and transfer unto said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to all said inventions disclosed in said applications; and in and to said applications, including all priority rights for other countries arising from said applications; and in and to all substitutions, provisionals, divisions, and continuations thereof; and in and to all Letters Patent, United States and foreign, that may be granted for said inventions; and in and to all extensions, renewals, and reissues thereof.

And I do hereby authorize and request the Commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related thereto, and on any substitute, continuing, divisional, or reissue applications, or any of them, to said Assignee, its successors and assigns, as assignee of the entire right, title and interest therein and thereto.

And for the consideration aforesaid, I do hereby, for myself and my legal representatives, further covenant and agree with said Assignee, its successors and assigns, that upon request I will execute substitute, continuing, divisional, or reissue applications, amended specifications, or rightful oaths; communicate to said Assignee, its successors and assigns, any facts known to me relating to said inventions or the history thereof; execute preliminary statements; testify in any interference or other legal proceedings involving said inventions; execute and deliver any application papers, assignments, or other instruments, and do all other acts which, in the opinion of counsel for said Assignee, may be necessary or convenient to secure the grant of Letters Patent to said Assignee, its successors and assigns, or its nominees, in the United States and

in all other countries where said Assignee may desire to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for said Assignee, and to vest and confirm and complete legal and equitable title to all such inventions, applications, and Letters Patent, and to enable it to record said title, without further consideration than now paid but at the expense of said Assignee, its successors or assigns.
