ASSIGNMENT

WHEREAS we, CRAIG OVANS, a citizen of the United States of America, residing at 1254 West Lantana Drive, Chandler, AZ 85248-3720 (USA); and YANI DEROS, a citizen of the United States of America, presently residing at 1027 East Mountain Sage, Phoenix, AZ 85048-4400 (USA)(hereinafter referred to as "ASSIGNORS"), have invented a new and original design for a **OSCILLATING WAND SPRINKLER**, for which a non-provisional Application for Design Letters Patent of the United States was filed September 14, 2012, with the United States Patent and Trademark Office as Design Patent Serial No. 29/432,456.

WHEREAS, PARTNERS IN INNOVATION LIMITED, LLC, a corporation organized under the laws of the State of Ohio, and having its principal office at 10520 Cinderella Drive, Cincinnati, OH 45242-4909 (USA), (hereinafter referred to as "ASSIGNEE"), has acquired and/or is desirous of further acquiring the entire interest therein.

WHEREAS, ASSIGNORS have assigned the entire right, title, and interest to said invention and/or application to ASSIGNEE and/or are under an obligation to assign the entire right, title, and interest to said invention and/or application to ASSIGNEE.

WHEREAS, ASSIGNORS and ASSIGNEE wish to further effect, memorialize and/or confirm in this document such assignment to said invention and/or application.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we the said ASSIGNORS, hereby memorialize and/or confirm the sale, assignment, and transfer and/or do hereby sell, assign, and transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals, and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues, reexaminations and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the Paris Convention for the Protection of Industrial Property, the International Patent Cooperative Union, European Patent Convention, Common Market Convention, or any other Convention or Union, or any other international agreement or the domestic laws of the country in which any such

application is filed, as may be applicable; and all forms of industrial protection, including, without limitation, patents, utility models and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals, reexaminations and reissues thereof;

And we further agree to execute all necessary or desirable and lawful future documents, including assignments in favor of ASSIGNEE or its designee, as ASSIGNEE or its successors, assigns and legal representatives may from time-to-time present to us and without further remuneration, in order to perfect title in said invention, modifications, and improvements in said invention, applications and Letters Patent of the United States and countries foreign thereto.

And we further agree to properly execute and deliver and without further remuneration, such necessary or desirable and lawful papers for application for foreign patents, for filing subdivisions of said application for patent, and or, for obtaining any reissue or reissues of any Letters Patent which may be granted for our aforesaid invention, as the ASSIGNEE thereof shall hereafter require and prepare at its own expense.

ASSIGNORS HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

ASSIGNORS HEREBY grant the firm of Wood, Herron & Evans, LLP, the power to insert in this Assignment any further identification or information, including Serial No. and/or Filing date in spaces that follow, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

Serial No.: _____ Filing Date: _____

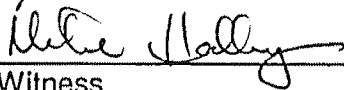

ASSIGNORS HEREBY covenant and agree that they have full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith.

ASSIGNORS HEREBY further covenant and agree that they will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to them respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, reexamination, and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
