Dear Sir/Madam:

By operation of statute, ownership of U.S. Patent No. 8,212,688 was transferred effective November 1, 2011. More specifically, the Transport Legislation Amendment Act 2011 (NSW) amended the Transport Administration Act (1988) of New South Wales, abolishing the Roads and Traffic Authority of New South Wales and replacing it with the Roads and Maritime Services. In relevant part, the statute provides:

183 Abolition of Roads and Traffic Authority

- (1) The Roads and Traffic Authority of New South Wales is abolished.
- (2) The assets, rights and liabilities of the Roads and Traffic Authority are, on the abolition of that Authority, transferred to Roads and Maritime Services.
- (3) Schedule 4 applies to the transfer of the assets, rights and liabilities of the Roads and Traffic Authority by the operation of this clause and so applies as if this clause were an order to which that Schedule applies when this clause takes effect.
- (4) A reference in any Act (other than this Act), in any instrument made under any Act or in any document of any kind to the Roads and Traffic Authority is to be construed as a reference to Roads and Maritime Services.
