and filed on October 31, 2012 and assigned Serial No. 13/665667; and

WHEREAS, MCP IP, LLC ("Assignee"), a corporation having its principal place of business at:

919 River Road, P.O. Box 367
Sparta, WI 54656

is desirous of acquiring the

- entire right, title, and interest in and to any subject matter and invention(s) disclosed in the non-provisional application that were not previously assigned, to said application for any and all countries, to any and all Letters Patent, and to any and all Design Letters Patent of any and all countries which may be granted therefrom;
- entire right, title and interest in the US application described above;

NOW, THEREFORE, Be It Known that for good and valuable consideration, the receipt of all of which is hereby acknowledged, I hereby sell, assign, and transfer unto Assignee, its successors, and assigns, the

- entire right, title and interest, legal and equitable, in and to any subject matter and invention(s) disclosed in the non-provisional application that were not previously assigned, to said application for any and all countries, to any and all Letters Patent, and to any and all Design Letters Patent of any and all countries which may be granted therefrom;
- the entire right, title and interest, legal and equitable, in and to said application and all United States Letters Patent and Design Letters Patent which may be granted therefrom;

and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all Letters Patent and all Design Letters Patent which may be granted to said invention to Assignee.
