ASSIGNMENT

PATENT

WHEREAS, on even date herewith, WB ACQUISITION LLC, (hereinafter, "Buyer"), a limited liability company organized and existing under and by virtue of the laws of the State of Delaware, purchased certain assets from THE WEST BEND COMPANY, a corporation organized and existing under and by virtue of the laws of the State of Delaware, and PREMARK WB HOLDINGS INC., a corporation organized and existing under and by virtue of the laws of the State of Delaware (hereinafter, either individually or collectively, "Seller"), pursuant to an Agreement for Purchase and Sale of Assets (hereinafter, the "Agreement");

WHEREAS, Seller is the owner of the entire right title and interest in the inventions identified in the United States and foreign patents and patent applications listed in Schedule 4.15 attached hereto;

WHEREAS, said assets purchased by Buyer from Seller includes the patents and applications listed in Schedule 4.15;

WHEREAS, pursuant to the Agreement, Seller agrees to assign its interest in said patents and applications over to Buyer;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other and good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller sells, assigns and transfers unto Buyer, its successors, assigns and legal representatives, the full and exclusive right, title and interest to the inventions as described in the patents and applications listed in Schedule 4.15, together with all rights to claim priority, and in and to all Letters Patents or similar legal protection obtained or to be obtained for the inventions by application or any continuation, divisional, renewal or substitution thereof, or any legal equivalent thereof;

AND HEREBY AGREES upon request of Buyer, its successors, assigns or legal representatives, and without further remuneration, to execute any and all papers reasonably desired by Buyer, its successors, assigns or legal representatives, to fulfill the intent and purposes of this Assignment;

AND HEREBY COVENANTS that no assignment, sale or encumbrance has been or will be made or entered into which would conflict with this Assignment.

EXECUTED as of this 31st day of October, 2002.

Schedule 4.15

- 1) Two Patent lists are attached. (First list is ITW's list. Second list is Michael Best and Friedrich's list. Both lists should coincide. However, in the interest of identifying and disclosing every property, we have attached both lists in the event the lists do not exactly coincide.)
- 2) List of Trademarks is attached.
- 3) Copies of four patent licenses are attached.

<u>Company</u>	<u>Product</u>	<u>Patent No.</u>
o Rival	Food Steamer	4,509,412
5 Funai Electric	Bread Maker	5,628,240
c Hugo Gepo	Coffee Bean Roaster	5,500,237
		5,573,802
1 Original Ideas	Toaster	5,522,306

- 4) U.S. Patent Number 6,009,239: Possible infringement by EcoWater.
- 5) All American Trademark: The Longaberger Company filed a notice of opposition with the U.S. Patent and Trademark Office against West Bend's All American trademark for electric cookware. A settlement with Longaberger is ongoing wherein West Bend would agree to abandon its registration and discontinue use of the mark in return for a limited license to allow West Bend (and distributor) to deplete its inventory.
- 6) Lifetime Trademark: Possible infringement by Ms. Maria Benavides.
- 7) West Bend Water Systems Trademark: Possible infringement by Distiller Warehouse.
- 8) Exclusive Supplier Agreement: Possible exclusive arrangement with distributor Dave Hurley in regards to Kitchen Craft trademark and goods.
- 9) Copyright License: Possible license with Mr. Steve Kissinger regarding use of West Bend copyrights to create a historical work.
- 10) WESTB-01-01 Break Away Cord: Invention disclosure. Possible patentable merit. Waiting for comments from West Bend.
- 11) WESTB-01-02 Angled Plug Receptacle for Small Appliances: Invention disclosure. Possible patentable merit. Waiting for comments from West Bend.
- 12) ITW Case No. 13699 Detachable Power Supply: U.S. Provisional Patent application filed in April of 2002.
