PATENT

ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned inventors:

Name	Address
Inventor (1): Giorgio BESENZONI	residing at: Via Gianini, 6 I-25030 PARATICO (BRESCIA) ITALY

declares that he is a citizen of Italy and with residences as listed above,

Hereby sells, assigns and transfers to **B. FINANCIAL S.r.l.**, an Italian corporation, hereafter called the "Assignee," having a place of business at: Via Molere 2, I-24067 SARNICO (BERGAMO), to its successors, assigns and legal representatives, the entire right, title and interest for the United States and worldwide, in and to any and all inventions and improvements which are described and claimed in the following United States patents:

1. 7,946,240 entitled: **Group for operation fender elements suitable to protect a boat during movement and mooring;**
2. 8,245,659 entitled: **Mechanical member for favouring the movement of means of transport.**

and in and to all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States or worldwide on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States or worldwide on said improvements;

Agrees that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

1340-058 and  
Attorney Docket No. 1333-025

Covenants with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

The undersigned further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true.
