CONFIRMATORY ASSIGNMENT

Whereas, I, **Farhad AGHILI**, citizen of Canada, residing at **6850 Oasis, Brossard, Quebec J4Y 3G9 Canada**, in the course of my work at and/or for **Canadian Space Agency** have made an invention for which I have made application for Letters Patent; and

Whereas **Canadian Space Agency**, located at 6767 Route de l'Aéroport, St. Hubert, Québec, J3Y 8Y9, Canada, is my employer and/or maintains facilities or equipment I used in making this invention, and is the owner of my rights in this invention by action of law, namely s. 3 of *The Public Servants Inventions Act* of Canada, or by agreement;

NOW, THEREFORE, in consideration of having been provided with an opportunity to participate in scientific research at Canadian Space Agency and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, **Farhad AGHILI**, did transfer to **Canadian Space Agency**, hereby confirm said transfer, the legal ownership of my full and exclusive right, for the territory of Canada and the United States of America and all other countries, including the right to claim priority, the right to file foreign applications under the provisions of the International Convention and national laws, the right to file any divisional and continuation applications and my full and exclusive right in and to said divisional and continuation applications, in and to the said invention as described and claimed in the application for patent entitled

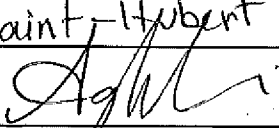

Method and Apparatus for Improving Output of a Multi-Winding Motor

United States Patent Application No. **13/624,270** filed on **September 21, 2012** in the United States and Canadian Patent Application **2,790,645** filed on September 21, 2012 in Canada therefor; and I hereby request the Commissioner of Patents and Trademarks to issue said Letters Patent, as far as my rights are concerned, to **Canadian Space Agency**, as the assignee, for the sole behoof of said **Canadian Space Agency**, and its legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me in the event that ownership rested with me, the inventor. In addition, I confirm that **Canadian Space Agency** has full rights to abandon the invention and any related patents or patent applications or any aspect thereof and to license, further assign, and otherwise deal with the rights in any and all jurisdictions at its sole discretion and without providing compensation to me.

The inventor signing this document acknowledges that, except as explicitly noted herein, his/her entire inventive contribution made toward this invention was completed in the course of his/her work with and/or for **Canadian Space Agency** and no other person or organization has any claim to his/her rights in the invention or any aspect thereof and the inventor has not granted or purported to grant rights in the invention to any other party or organization at any time.

This document has been read and understood prior to signature. Receipt of sufficient opportunity to seek clarification of any concerns is acknowledged.

This assignment is effective as of September 21, 2012

Executed this 16 day of Nov. 2012, 2012 at Saint-Hubert

Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (*i.e.*, GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
