entitled SLIDER LOCKNUT, bearing the above Attorney Docket No., the inventor(s) of which are listed below.

Declaration

I declare that:

The above-identified Application was made or authorized to be made by me;

I believe that I am the original inventor or an original joint inventor of a claimed invention in the Application; and

I acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

Assignment

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged by the undersigned, the undersigned does hereby sell, assign, transfer and set over unto United Technologies Corporation, of Hartford, CT 06101, a corporation of Delaware, its successors and assigns, the Assignee hereinafter, the entire right, title and interest in and to inventions claimed in the Application, in any form or embodiment thereof, and in and to the Application; and in and to any application filed in any national or regional patent processing or issuing authority based thereon, including the right to file foreign applications under the provisions of the PCT and the International Convention; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any national or regional patent issuing authority upon said inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said inventions in this or any national or regional patent issuing authority; and the undersigned hereby authorize(s) and request(s) the issuing authority to issue any and all patents on the Application or applications to the Assignee.

The undersigned further agree(s), without any further payment or compensation by the Assignee: to communicate to the Assignee any facts relating to said inventions including evidence for legal proceedings whenever requested; testify in any legal proceedings, whenever requested; execute

and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said Assignee to obtain and enforce proper patent protection for said inventions in this or any foreign country or region.
