WORLDWIDE ASSIGNMENT

WHEREAS Glenn R. Buttermann, of 1725 Park Avenue, Mahtomedi, Minnesota 55155, (hereinafter "Assignor") is the owner of the inventions, patents and patent applications set forth in the attached Schedule.

WHEREAS Dynamic Spine, LLC of 1725 Park Avenue, Mahtomedi, Minnesota 55155 (hereinafter referred to as "Assignee") is desirous of acquiring the full right, title and interest in and to the inventions, patents and patent applications set forth in the attached Schedule; as well as in and to (a) all patents which may issue from the patent applications set forth in the attached Schedule, (b) all divisions, continuations, continuations-in-part, reissues, and extensions of the patents and patent applications set forth in the attached Schedule, (c) any and all claims for damages by way of past, present and future infringements of any of the rights stemming from the inventions, patents and patent applications set forth in the attached Schedule, as well as but not limited to the right to collect damages for infringements occurring from the date of publication of the patent applications set forth in the attached Schedule to the date of issuance of the patents and patent applications set forth in the attached Schedule, with the right, but not the obligation, to sue for and collect such damages for said infringements, and (d) every priority right that is or may be predicated upon or arise from the patents and patent applications set forth in the attached Schedule pursuant to the International Convention and any other international agreement to which the United States adheres; such right, title, and interest to be held and enjoyed by Assignee, its successors and assigns, to the full end of the term or terms for which any and all such patents may be granted as fully and entirely as would have been held and enjoyed by Assignor had this Assignment not been made.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Assignor, Assignor has sold, assigned, transferred and set over, and by these presents hereby sells, assigns, transfers and sets over to Assignee the entire and exclusive right, title and interest in and to the inventions, patents and patent applications set forth in the attached Schedule, as well as in and to (a) all patents which may issue from the patent applications set forth in the attached Schedule, (b) all divisions, continuations, continuations-in-part, reissues, and extensions of the patents and patent applications set forth in the attached Schedule, (c) any and all claims for damages by way of past, present and future infringements of any of the rights stemming from the inventions, patents and patent applications set forth in the attached Schedule, as well as but not limited to the right to collect damages for infringements occurring from the date of publication of the patent applications set forth in the attached Schedule to the date of issuance of the patents and patent applications set forth in the attached Schedule, with the right, but not the obligation, to sue for and collect such damages for said infringements, and (d) every priority right that is or may be predicated upon or arise from the patents and patent applications set forth in the attached Schedule pursuant to the International Convention and any other international agreement to which the United States adheres; such right, title, and interest to be held and enjoyed by Assignee, its successors and assigns, to the full end of the term or terms for which any and all such patents may be granted as fully and entirely as would have been held and enjoyed by Assignor had this Assignment not been made; the Commissioner of Patents and Trademarks of the United States of America and corresponding officials throughout the world are hereby authorized to transfer the portion of the title indicated to the patents and patent applications set forth in the attached Schedule to said Assignee in accordance herewith; this assignment being under covenant that full power to make the same is had by the Assignor; Assignor hereby undertakes to execute and deliver to Assignee upon request all lawful documents which may be requested by Assignee, and to furnish Assignee with all facts relating to the inventions, patents and patent applications set forth in the attached Schedule as may be requested.

The undersigned hereby grants the firm of FOLEY & LARDNER LLP, the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office and other patent offices around the world for recordation of this Assignment.
