ASSIGNMENT

WHEREAS, CHANDULAL KANTILAL RANPURIA (hereinafter referred to as "Assignor" and jointly as "Assignors") depose and say that I am a citizen of the United Kingdom and an individual residing at 31 Heath Road, Wirral, CH63 7PX, England, The United Kingdom and have invented certain new and useful improvements in a coupling assembly for which I have filed an application for United States Letters Patent Application Number 12/225,313, filed on September 17, 2008; entitled COUPLING ASSEMBLY; and

WHEREAS, POWDER SYSTEMS LIMITED (hereinafter referred to as "Assignee") a corporation organized for not for profit under the laws of the United Kingdom, having a principal place of business at Estuary Business Park, Liverpool, Merseyside, L24 8RG, England, The United Kingdom, is desirous of acquiring my entire right, title, and interest in and to the said invention, and in and to the said application and any prior provisional application upon which this application is based and any application based on said application and any Letters Patent or any patents that may issue thereon;

NOW THEREFORE, for and in consideration of five dollars (\$5.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell and assign to the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and in and to the said application, any patent application(s) based on said application, any PCT application(s) based on said application, any PCT application based on the same subject matter disclosure as said application, and all patents which may be granted therefore, and all divisions, reissues, substitutions, continuations, and extensions thereof; and Assignor hereby authorizes and requests the Commissioner of Patents to issue all patents for said invention, or patents resulting therefrom insofar as his interest is concerned, to the said Assignee of his entire right, title,

and interest;

Assignor also hereby sells and assigns to Assignee's successors and assigns, his foreign rights to the invention disclosed in said application, in all patent granting countries of the world, including the right to file applications and obtain patents for said invention in Assignee's own name in said countries and including all rights of priority in said countries under the terms of the International Convention for the Protection of Industrial Property, and Assignor further agrees to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights;

Assignor hereby further agrees that he will communicate to said Assignee or to its successors, assigns, and legal representatives, any facts known to him respecting any improvements, and at the expense of said Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I have set our hand and seal this 8TH day of NOVEMBER, 2012.

Witness
