# ASSIGNMENT

Serial No: PCT/US11/28347

Filed: March 14, 2011

Title: Methods of Obtaining Natural Products from the Comestible Fluids and Methods of Use

For reasonable and sufficient consideration, including employment, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assign to RUTGERS, THE STATE UNIVERSITY OF NEW JERSEY, Old Queens Building, Somerset & George Streets, New Brunswick, New Jersey 08903 (hereinafter "Assignee"), its successors and assigns, the entire right, title and interest in the invention(s) or improvement(s) of the undersigned disclosed in the above-referenced application for Letters Patent of the United States, any and all other applications for Letters Patent of the United States or other countries, of which the undersigned may file or be named as an inventor or which the undersigned has filed or has been named as an inventor, either solely or jointly with others, on said invention(s) or improvement(s), and in any and all Letters Patent of the United States and other countries, which may be obtained or have been obtained on any of the aforementioned applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner for Patents to issue said letters patent to said Assignee.

The undersigned warrant themselves to be the owners of the interest herein assigned and to have the right to make this assignment and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned except in favor of Assignee.

For said consideration the undersigned hereby agree, upon the request and at the expense of said Assignee, its successors and assigns, to execute any and all applications on said invention(s) or improvement(s), and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon any and all of said applications, and any and all applications and other documents for Letters Patent in other countries on said invention(s) or improvement(s), that said Assignee, its successors or assigns, may deem necessary or expedient, and for said consideration the undersigned further agree upon the request of said Assignee, its successors or assigns, in the event of any application for Letters Patent, or Letters Patent, assigned herein becoming involved in Interference or Opposition, to cooperate to the best of the ability of the undersigned with said Assignee, its successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent, both in the United States and in other countries, and vest all rights therein hereby conveyed in said Assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by said Assignee, its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.
