ASSIGNMENT

Whereas, Electropar Limited, having a place of business at 35 Lady Ruby Drive, East Tamaki Auckland New Zealand, hereinafter referred to as "assignor", did obtain the entire right, title and interest in and to certain new and useful improvements in

ELECTRICAL CONNECTIONS FOR HIGH VOLTAGE ELECTRICAL DISTRIBUTION AND/OR RETICULATION

for which an application for a United States Patent was filed on September 11, 2012, under Serial No. 13/610,309

and whereas, Electropar Limited is the sole owner of said application, and,

WHEREAS, Preformed Line Products, a corporation of Ohio, having its principal place of business at 660 Beta Drive Mayfield Village, OH 44143, hereinafter referred to as "assignee", is desirous of acquiring all right, title, and interest throughout the world in, to, and under said improvements and inventions and patent rights therefor.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, all right, title, and interest, in the United States and throughout the world, in, to and under said improvements and inventions and all patents, patent applications, patent rights, and inventors' certificates thereof, therefor, and therein, including without limitation said application for patent in the United States, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all right to sue for past infringement thereunder, all patents which may be granted for said improvements and inventions by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefor, have been and are hereby sold, assigned, transferred, and delivered unto assignee, its successors and assigns by the undersigned; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary, or desirable to secure for or vest in assignee, its successors or assigns, any improvement, inventions, right, title, interest, application, patent, patent right or other right or property covered by this assignment, and the United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of said applications to assignee as owner of the entire right, title, and interest in, to, and under the same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to assignee as owner of the entire right, title and interest in, to, and under the same.

The undersigned hereby grant the firm of Cooper Legal Group LLC the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document. IN WITNESS WHEREOF, this assignment has been executed below by the undersigned:

Executed this 20 day of November, 2012.
