ASSIGNMENT

I, **Vladas Algirdas BUMELIS**, have made an invention the specification of which is described in PCT International Application No. PCT/ES 2011/070057 ("the PCT application") filed in the Spanish Patent and Trademark Receiving Office on January 31st, 2010, entitled **Procedimiento para la producción de interferón alfa 5 (Process for the production of Interferon alpha 5)**, and claiming priority to European patent application 10382019.7 filed on February 1st 2010.

I hereby assign to **SICOR Biotech UAB**, V.A. Graičiūno Str. 8, LT-02241 Vilnius, Lithuania, all of my ownership and rights in:

- (i) the invention, the PCT application, and U.S. Patent Applications claiming priority to the PCT application including any divisional applications, continuing applications, and reissue applications thereof; and
- (ii) U.S. Patents of the invention and U.S. Patents claiming priority to the PCT application, including original, reissued and reexamined patents.

I am making this assignment based on my contractual relationship with **SICOR Biotech UAB**.

I request the Commissioner of Patents and Trademarks of the United States and the appropriate officers of all foreign countries to issue patents on the invention to:

SICOR Biotech UAB

as sole owner of the invention and aforementioned patent rights.

I agree to execute any other legal documents that may be required to effectuate this Assignment. I agree that I will promptly communicate to the **SICOR Biotech UAB** all facts that come to my attention affecting the invention or patent rights.

I agree that I will testify in any interference or litigation involving the invention or patent rights. I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing subdivisions of said application for patent, and or, for obtaining any reissue or reissues of any future U.S. Patent which may be granted for my aforesaid invention, as the assignee thereof shall hereafter require.

I hereby covenant and agree on behalf of myself, my heirs, executors and legal representatives, to execute all papers and assignment documents connected with such U.S. patent or U.S. patent application therefor and I do hereby authorize and request the Commissioner of Patents to issue any patent(s) maturing on said United States patent application to my assignee as the beneficial owner thereof.

I declare that I have not done anything in conflict with this Assignment.
