PATENT ASSIGNMENT — UNITED STATES

WHEREAS the undersigned Kufre E. Akpan (the “Assignor”), a resident of the State of Minnesota is the legal and beneficial owner of all of the patents and patent applications and the inventions relating thereto (collectively, the “Patents”) listed in Schedule “A” attached hereto;

AND WHEREAS ZIKMA, LLC (the “Assignee”), a corporation duly incorporated under the laws of Minnesota and having its registered office at 14161 Basalt Street NW, Ramsey, Minnesota 55303, has acquired the Assignors’ right, title and interest in and to the Patents, pursuant to this Assignment.

AND WHEREAS, the parties wish to execute a confirmatory assignment document for the purpose of recordal of the assignment at the United States Patent and Trademark Office;

NOW, therefore, in consideration of the sum of Two Dollars (\$2.00 USD), the receipt of which is hereby acknowledged, and other good and valuable consideration, the Assignor does hereby sell, assign and transfer unto the Assignee, all his right, title and interest in the United States of America in and to the Patents, including any continuations, divisions, continuations-in-part, reissues or extensions thereof and including the subject matter of all claims which may be obtained therefrom for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment had not been made, together with all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patents, with the right to sue for damages, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives.

AND the Assignor hereby authorizes the issuance to the Assignee of any and all Letters Patent on said inventions or resulting from said applications or any continuations, divisions, continuations-in-part, reissues or extensions thereof not already issued as the assignee of its

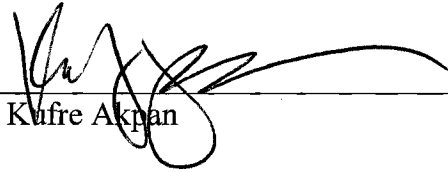

entire right, title and interest in and to the same, for the sole use and benefit of the said Assignee, its successors, assigns and legal representatives.

AND the undersigned, on behalf of himself, his successors and assigns, hereby covenants and agrees to do all such lawful acts and things and to execute without further consideration such further assignments, documents, assurances, applications and other instruments as may be reasonably required by the Assignee, its successors and assigns or legal representatives, to obtain any and all Letters Patent of the United States of America for said invention and vest the same in the Assignee, its successors, assigns or legal representatives.

EXECUTED effective as of the 5th day of DECEMBER, 2012.
