ASSIGNMENT

We, Nicholas J. Koppy of 4008 Foss Road, #201, Saint Anthony, Minnesota, 55421, a citizen of the United States and Bryon Rediger of 10193 Grand Forest Lane, Woodbury, Minnesota, 55129, a citizen of the United States have made an invention relating to a TECHNOLOGY MIGRATION PROGRAM and have executed a utility application for United States Letters Patent based thereon and identified by attorney's File No. 48361.1.2 and naming the following inventors: Nicholas J. Koppy and Bryon Rediger regarding Application No. 10/871,945 filed June 17, 2004;

In exchange for good and valuable consideration, the receipt of which we now acknowledge, we hereby assign to RedKo Innovations, Inc., a corporation organized and existing under the laws of the State of Minnesota, of 4008 Foss Road, #201, Saint Anthony, Minnesota 55421, its successors, and assigns:

- (1) The entire right, title, and interest to the above-identified invention and application;
- (2) The entire right, title and interest to any provisional, subsequent utility applications, renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions that may be filed with respect to the above identified invention, application, and any United States or foreign patent applications claiming priority to the above identified invention and application; and
- (3) The entire right, title, and interest to any United States or foreign patent applications claiming priority to the above identified invention and application;
- (4) The right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights to which such foreign applications are entitled under international conventions, treaties or otherwise.

We further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments or other documents and to perform such other lawful acts as RedKo Innovations, Inc., its successors and assigns may deem necessary to fully secure, maintain and enforce its rights, title or interest as outlined herein.

We hereby authorize and request the Commissioner of Patents and Trademarks to issue to RedKo Innovations, Inc. any Letters Patents, which may be granted in accordance with this Assignment.
