PATENT

**DECLARATION (37 CFR 1.63) FOR UTILITY OR DESIGN
APPLICATION USING AN APPLICATION DATA SHEET (37 CFR 1.76)
AND ASSIGNMENT**

**Title of
Invention**

COATING OF BULK METALLIC GLASS (BMG) ARTICLES

As the below named inventor, I hereby declare that:

This declaration

is directed to:

The attached application, or

United States application or PCT international application

number 13/631,098 filed on September 28, 2012.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 USC 1001 by fine or imprisonment of not more than five (5) years, or both.

ASSIGNMENT OF INVENTION

For good and valuable consideration, the receipt of which is hereby acknowledged, and for other good and valuable consideration, I hereby sell, assign and transfer to

(Name of Assignee) APPLE INC.

of 1 INFINITE LOOP, CUPERTINO, CA 95014

(Address of Assignee)

(hereinafter designated as the Assignee), its successors, legal representatives; and assigns, my entire right, title and interest for the United States and its territorial possessions, and foreign applications as defined in 35 USC 100, for any invention and all improvements which are disclosed in the invention identified above.

I agree to execute all papers necessary in connection with this application for patent in the USPTO for the invention, and any continuation, continuation-in-part, divisional, reexam or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

I hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

I further covenant that Assignee will, upon request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to Assignors and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee or legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

I agree to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

I hereby authorize and request the USPTO to issue any and all Letters Patents of the United States resulting from the application or any continuation, divisional or reissue applications thereof to the Assignee, as Assignee of my entire interest, and covenant that I have not executed, and will not execute, any agreement in conflict herewith.

I hereby grant the firm of Pillsbury Winthrop Shaw Pittman, LLP, the power to insert on this document any further identification which may be necessary or desirable.
