WHEREAS, SPIELO International Canada, ULC

a corporation of Canada

whose post office address is **328 Urquhart Avenue
Moncton, New Brunswick, Canada**

(hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over unto the Assignee, its lawful successors and assigns, Assignor's entire right, title, and interest in and to the above referenced patent application and any related application, and all divisions, and continuations thereof, and all Letters Patent in all countries which have been granted or may be granted thereon, and all reissues and equivalents thereof, and all rights to claim priority on the basis of the above applications (if any), as well as all rights to claim priority on the basis of any applications, and all applications for Letters Patent which may exist or are hereafter filed for this invention in any country and all Letters Patent which may be granted on this invention in any other country, and all extensions, renewals, and reissues thereof; and I hereby authorize and request any official of any country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

Assignor hereby covenants that it has the full right to convey the interest assigned by this Assignment, and it has not executed and will not execute any agreement in conflict with this Assignment; AND

AND, Assignor further covenants and agrees that it will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to Assignor respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in any country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, the parties have executed and made this assignment effective in the 14 day of December 2012.
