PATENT SECURITY AGREEMENT

PATENT SECURITY AGREEMENT (as amended, restated, amended and restated, extended, refinanced, supplemented or otherwise modified from time to time, this "Agreement") dated as of December 20, 2012, by ADERANT COMPULAW, LLC, a Delaware limited liability company ("Grantor") in favor of BANK OF MONTREAL, as administrative agent ("Administrative Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of December __, 2012 (as amended, restated, amended and restated, extended, refinanced, supplemented or otherwise modified from time to time, the "Credit Agreement") among Aderant North America, Inc., a Florida corporation ("Borrower"), the guarantors from time to time party thereto, Administrative Agent and the lenders from time to time party thereto ("Lenders"), Administrative Agent and Lenders have agreed to make certain loans and other financial accommodations for the benefit of Borrower; and

WHEREAS, Administrative Agent and Lenders are willing to make the loans and other financial accommodations as provided for in the Credit Agreement on the condition, among others, that Grantors shall have executed and delivered to Administrative Agent (a) that certain Security Agreement dated as of the date hereof (as amended, restated, amended and restated, extended, refinanced, supplemented or otherwise modified from time to time, the "Security Agreement") among Grantors and Administrative Agent and (b) to the extent applicable, this Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement. The term "Patents" shall mean patents and patent applications, including (i) the patents and patent applications listed on Schedule 1 attached hereto, (ii) all continuations, divisionals, continuations-in-part, re-examinations, reissues, and renewals thereof and improvements thereon, (iii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past, present, or future infringements thereof, (iv) the right to sue for past, present, and future infringements thereof, and (v) all of each Grantor's rights corresponding thereto throughout the world.

2. GRANT OF SECURITY INTEREST IN PATENT COLLATERAL. To secure the Obligations, the Hedging Liability, and Funds Transfer and Deposit Account Liability, each Grantor hereby grants to Administrative Agent a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following included in the Collateral, whether presently existing or hereafter created or acquired (collectively, the "Patent Collateral"):

(a) each Patent and application for Patent listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof; and

(b) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future infringement of any Patent.

3. AGREEMENT; SECURITY AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.

4. COUNTERPARTS. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts.

5. SEVERABILITY. In the event and to the extent that any provision hereof shall be deemed to be invalid or unenforceable by reason of the operation of any law or by reason of the interpretation placed thereon by any court, this Agreement shall to such extent be construed as not containing such provision, but only as to such locations where such law or interpretation is operative, and the invalidity or unenforceability of such provision shall not affect the validity of any remaining provisions hereof, and any and all other provisions hereof which are otherwise lawful and valid shall remain in full force and effect.

6. ASSIGNMENTS. This Agreement shall create a continuing lien on and security interest in the Patent Collateral and shall be binding upon each Grantor and its successors and assigns and shall inure to the benefit of the Administrative Agent and its successors and permitted assigns.

7. GOVERNING LAW. This Agreement, and the rights and duties of the parties hereto, shall be construed and determined in accordance with the internal laws of the State of Illinois.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
