ASSIGNMENT

This Assignment (the "Assignment") is made and effective as of October 10, 2012 ("Effective Date") by and between John N. Randall, 46 Dunrobin, Richardson, Texas 75082, an individual ("John Randall" or "the Assignor") and John N. Randall and Christian H. Seidler whose address is 53098 Victory Drive, Marshall, Texas 75672 ("Christian Seidler"), with John Randall and Christian Seidler jointly and severally being the "Assignees."

RECITALS

1. John Randall and Christian Seidler were co-inventors of the U.S. patent application described below (the "Invention"), together with one Charles D. Gray ("Charles Gray").
2. The co-inventors applied for a patent on the Invention as follows:

Invention	USPTO Application Number	U.S. Patent Number
Mechanism for applying paint to canvas	09/838,549 Filed April 18, 2001	7,094,292 Granted August 22, 2006

3. Christian Seidler and Charles Gray previously signed an Assignment conveying their rights in the aforesaid Invention to John Randall ("Prior Assignment") which Prior Assignment was duly filed with the United States Patent and Trademark Office on or about August 10, 2001 and assigned Reel 012080 Frame 0184.
4. The parties wish to sign this document in order to reverse the Prior Assignment as to Christian Seidler and re-assign all right, title and interest in the Invention back to John Randall and Christian Seidler such that the entire ownership of the aforesaid Invention and Patent shall be held and enjoyed by John Randall and Christian Seidler, jointly and severally.

Accordingly,, the parties hereby agree as follows:

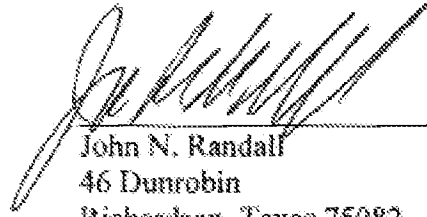

1. John Randall hereby sells, assigns and transfers to the Assignees John Randall and Christian Seidler, jointly and severally, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the full and exclusive right, title and interest to said Invention in the United States and its territorial possessions and in all foreign countries and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in all foreign countries to be obtained for said invention by said application or any division, continuation, continuation-in-part, renewal, substitute, extension, reexamination or reissue thereof or any legal equivalent thereof in any foreign country for the full term or terms of which the same may be granted, and specifically including the right to file foreign applications and claim priority therefor under the provisions of any convention or treaty;
2. John Randall further hereby covenants that he will, upon an Assignee's request, promptly provide Assignee with all pertinent facts and documents, relating to said application, to any invention disclosed therein, or to any of said Letters Patent or legal equivalents thereof in the United States or in foreign countries, as may be known and accessible to him, and that he will testify and give evidence as to the same in any litigation or interference which may arise, and that he will promptly execute and deliver to an Assignee or his legal representative, without charge but at Assignee's expense, any and all papers, instruments or affidavits which may be required, necessary or desirable for the purpose of applying for, obtaining,

maintaining, issuing or enforcing said application and said Letters Patent and said equivalents thereof in the United States or in any foreign country; and he further authorizes Assignees or their legal representative to make any submissions or true declarations which may be needed in connection with the prosecution of this application or related applications in the U.S. or in other countries, consistent with the requirements of the applicable country;

3. John Randall hereby authorizes and requests the issuing authority to issue any and all United States and foreign patents granted on said invention to Assignees, their successors and assigns.
4. The parties hereby authorize and direct a properly designated representative of either party to execute all documents and take any other steps reasonably necessary and proper in the judgment of a party's representative or attorney to make appropriate filings with the USPTO to effectuate this Assignment and otherwise carry out the purposes of this Assignment.
5. This Assignment represents the full and complete agreement between the parties concerning the subject matter hereof and supersedes all prior agreements whether oral, in writing, whether explicit or implicit which have been entered into prior to the execution hereof.

In witness hereof, the parties have executed this agreement, effective as of the

Effective Date.
