ASSIGNMENT

FOR VALUE RECEIVED, I/WE

Masaki Okita

citizens of Japan

hereby sell, assign, transfer and convey unto CANON KABUSHIKI KAISHA

a corporation of Japan

having a place of business at 30-2, Shikomaruko 3-chome, Ohta-ku, Tokyo, Japan

its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title, and interest, for all countries, in and to certain invention relating to

IMAGE PICKUP APPARATUS AND CONTROL METHOD THEREOF

and described in an application for Letters Patent of the United States, executed by me/us, and
 filed on _____ as United States Application No. _____ or
 as PCT International Application No. _____

and in and to said application, and all divisions, renewals and extensions thereof, and all Letters Patent of the United States which may be granted thereon, and all renewals and extensions thereof, and all applications for Letters Patent or other grants of protection of proprietary rights including, but not limited to, inventor's certificate, utility model, reissue certificate, patent of importation, registration of patent and industrial design registration which may be filed, and which may be granted, upon said invention, in any countries or regions foreign to the United States, and all divisions, renewals and extensions thereof, and I/we hereby authorize and request the Comptroller for Patents and Trademarks of the United States, and all officials of countries or regions foreign to the United States, having authority to do so, to issue all such Letters Patent or other grants of protection upon said invention to the Assignee or to such persons as it may designate.

AND I/we authorize and request the said Assignee or persons to invoke and claim, for any application for such Letters Patent or other grants of protection for said invention filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by a convention which may hereafter be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me/us.

AND I/we hereby declare that a copy of this assignment shall be deemed a full and formal equivalent of my assignment, request to file or file document, which may be required in any country or region for any purpose and

now particularly in proof of the right of the said Assignee or persons to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may hereafter be substituted for it.

All I/we hereby covenant that I/we have the full right to convey the entire right, title and interest herein assigned and that I/we have not executed and will not execute any agreement in conflict herewith.

All I/we hereby accept and agree that I/we will communicate to said Assignee or assignees all facts known to us in relation to said invention, and testify in all legal proceedings, sign all affidavits, execute all divisional, continuation and renewal applications, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or assignees in obtaining, maintaining, and enforcing all lawful patent or other grants of protection of said invention in any and all countries and regions.
