Assignor Initial: _____

1. Assignment. The Assignor assigns absolutely to the Assignee, its lawful successors and assigns, the Assignor's entire right, title, and interest in the Inventions and the Patents, including:

(a) all rights to claim domestic and foreign priority from any of the Patents, including claims based on ascendant, descendant, sibling or otherwise related patents and applications, including claims asserted pursuant to the Patent Cooperation Treaty and the Paris Convention for the Protection of Industrial Property;

(b) all domestic patents and patent applications related to any of the Patents, including divisionals, continuations, continuations-in-part, and reissues and any and all patents and patent applications disclosing or claiming the Inventions, in which the Assignor has a right, title or interest;

(c) all patents and patent applications in foreign jurisdictions, including both national and regional jurisdictions, that claim priority from any of the Patents, or ascendant, descendant, sibling or otherwise related patents and applications, including divisionals, continuations, continuations-in-part, and reissues and any and all patents and patent applications disclosing or claiming the Inventions, in which the Assignor has a right, title or interest; and

(d) all right to sue for infringement, including past infringements.

(hereinafter collectively, the "**Rights**").

2. Further Assurances. The Assignor will, without further consideration:

(a) fully document the Inventions for and teach the Inventions to the Assignee and the Assignee's designates;

(b) execute and deliver to the Assignee all documents that may be necessary or desirable to perfect the Assignee's claim to the Rights, including additional patent applications and assignments;

(c) execute and deliver to the Assignee all documents that may be necessary or desirable in prosecuting the Rights, including in connection with any office action, interference, conflict or opposition proceeding relating to the Rights and co-operate with the Assignee in every way possible in obtaining evidence and going forward with such prosecution, office action, interference, conflict, opposition or other proceeding;

(d) testify in any legal proceeding relating to the Rights; and

(e) generally do everything possible to aid the Assignee, its successors and assigns, to obtain and enforce the Rights, it being understood that any incidental expenses will be borne by the Assignee, but

(f) if the Assignor refuses or fails to execute and/or delivery any further documents and assurances whenever requested by the Assignee, this Agreement will constitute a power of attorney granting to the Assignee the right to execute and deliver on the Assignor's
