## ASSIGNMENT BY INVENTORS

This Assignment is by Peter Schmidt, Kurt Kemppainen, and Rahn Basche (the "Assignors"), each having a mailing address of 2855 Kifer Road, Suite 245 Santa Clara, CA 95051. The Assignors have invented one or more certain inventions (the "Invention(s)") described in a Design application for Letters Patent of the United States entitled COMBINATION DISC LOCK (the "Application"), executed concurrently herewith and naming the Assignors as inventors. The Assignors authorize the Assignee, identified below, or its representatives to insert the application number of the Application 29/400,306 when known.

Wordlock, Inc., a Corporation of California having its principal place of business at 2855 Kifer Road, Suite 245, Santa Clara, California 95051 ("Assignee"), desires to acquire the entire right, title and interest in and to the Invention(s) and the Application, and in and to any patents (collectively, "Patents") that may be granted for the Invention(s) in the United States or in any foreign countries.

For valuable consideration, the receipt and sufficiency of which Assignors acknowledge, Assignors hereby sell, assign, and transfer to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to: the Invention(s), the Application, and any Patents; any divisions, continuations, and continuations-in-part of the Application and any other application claiming priority rights from the Application; any reissues, reexaminations, or extensions of any and all Patents; the right to file foreign applications directly in the name of Assignee; and the right to claim priority rights deriving from the Application (collectively, the "Rights"). Assignors warrant that Assignors own the Rights, and that the Rights are unencumbered. Assignors also agree to not sign any writing or do any act conflicting with this assignment, and, without further compensation, sign all documents and do such additional acts as Assignee deems necessary or desirable to: perfect Assignee's enjoyment of the Rights; conduct proceedings regarding the Rights, including any litigation or interference proceedings; or perfect or defend title to the Rights. Assignors
