ASSIGNMENT

WHEREAS, I, Matthew D. Bishop of North Vancouver, British Columbia, have invented subject matter disclosed and/or claimed in a patent application entitled STATELESS MICROKERNEL WEB SERVER ARCHITECTURE WITH SELF DISCOVERABLE OBJECTS, the specification of which:

is attached hereto; or

was filed on January 4, 2013, and has been given application No. 13/734,096

(I hereby authorize the attorneys/agents at Alleman Hall McCoy Russell & Tuttle LLP, Customer Number 50488, to insert the filing date and application number of said application when known)

WHEREAS, Elastic Path Software, Inc., a Canadian corporation, having its principal place of business at 300-455 Granville Street, Vancouver, British Columbia V6C 1T1, Canada, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, I, Matthew D. Bishop, have sold, assigned, and transferred, and do hereby sell, assign, and transfer, to Elastic Path Software, Inc., its successors and assigns, the full and exclusive right to the invention in the United States and its territorial possessions and in all foreign countries, and the entire right, title, and interest in and to any and all Letters Patent that may be granted therefor in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, continuations, reissues, substitutions, and extensions thereof.

I hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to Elastic Path Software, Inc., as the assignee of my entire right, title, and interest in and to the same, for the sole use of Elastic Path Software, Inc., and its successors and assigns.

Further, I hereby covenant and agree to and with Elastic Path Software, Inc., and its successors and assigns, at the time of execution and delivery of these presents, that I am the sole and lawful owner of the entire right, title, and interest in and to the invention and the above-identified patent application, and that the same are unencumbered, and that I have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Further, I agree that I will communicate to Elastic Path Software, Inc., or its representatives, any facts known to me respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, substitution, and extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Elastic Path Software, Inc., make all rightful oaths, and generally do everything possible to aid Elastic Path Software, Inc., and its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 3RD day of JANUARY, 2013.

Matthew D. Bishop
