## CONFIRMATORY ASSIGNMENT

WHEREAS, SurgRx, Inc., a Delaware Corporation ("SurgRx"), owns or otherwise has rights to the patents and patent applications listed in Schedule A (the "Patents");

WHEREAS, Ethicon Endo-Surgery, Inc. ("EES"), an Ohio Corporation, has a place of business at 4545 Creek Road, Cincinnati, Ohio 45242;

WHEREAS, SurgRx is a wholly owned subsidiary of EES;

WHEREAS, the Parties intend to merge SurgRx into EES on or about December 4, 2012; and

WHEREAS, the Parties seek to execute a confirmatory assignment perfecting title to the Patents to EES.

NOW, THEREFORE, BE IT KNOWN that for good and valuable consideration, the receipt of which is hereby acknowledged, SurgRx agrees to assign and transfer, and does hereby assign and transfer unto EES, its entire right, title and interest in and to the inventions and discoveries disclosed in the Patents, and in and to said Patents, and all foreign and domestic applications claiming priority thereto, including all non-provisional applications, all substitutions, divisional, and continuations thereof, and in and to all letters patent, United States and foreign, that may be granted for said inventions and discoveries, and in and to all extensions, renewals, and reissues thereof, any and all choses in action and any and all claims and demands, both at law and in equity, that SurgRx has or may have for damages or profits accrued or to accrue on account of the infringement of any of the Patents, the same to be held and enjoyed by said EES, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by SurgRx if this Assignment had not been made.

SurgRx authorizes EES to *sua sponte* amend Schedule A to add any other patents or applications that SurgRx may own or have rights, and such added patents or applications shall be considered "Patents" under this assignment.

The Parties may execute multiple copies of this assignment, each of which shall be considered an original.
