ASSIGNMENT

WHEREAS, **King EnerTech System Corp.**, a corporation organized and existing under and by virtue of the laws of **Taiwan, R.O.C.**, having an office at **No.8, Alley 14, Lane 98, Xinxing St., Yongkang City, Tainan County, Taiwan, R.O.C.**, is the owner by previous assignment, dated **17 Jun,2008**, of the entire undivided right, title and interest of **Heng-Yi CHOU**, in and to an invention for new and useful improvements in or relating to **ELECTRIC ENERGY CONTROL CIRCUIT FOR SOLAR POWER ILLUMINATION SYSTEM** for which an application for Letters Patent in the United States was filed on **23 June 2008** and assigned Application Number **12/144,263**, and which issued as Patent Number **7,965,049** on **21 Jun.2011**, and is the owner of an undivided right, title and interest in and to said application by said previous assignment;

WHEREAS, **King Polytechnic Engineering Co., Ltd.** a corporation organized and existing under and by virtue of the laws of **Taiwan, R.O.C.**, having an office at **5FL., No.210, Ruiguang Rd., Neihu Dist., Taipei 114, Taiwan, R.O.C.**, its heirs, successors, legal representatives and assigns (hereinafter designated as the Assignee) is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent(s) that may be granted therefore in the United States of America;

NOW THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) lawful money of the United States and other valuable considerations, to me in hand paid, the receipt of and sufficiency whereof are hereby acknowledged, the said **King EnerTech System Corp.** has sold, assigned and transferred and does hereby sell, assign and transfer unto the said Assignee, its successors and assigns, its entire undivided right, title and interest in and to the said application and

the invention therein contained, including all rights of action and damages for past infringement, and including the right to apply for any Letters Patent in the United States of America and in all foreign countries on said invention and including the right to claim the priority of the date of filing in the United States and any Letters Patent that may issue thereon, or therefore, in the United States and foreign countries and all reissues, extensions, renewals, divisions and continuations thereof, to the full end of the term or terms for which said Letters Patent may be issued, to be held and enjoyed by the said Assignee, its successors and assigns the same as it would have been held and enjoyed by **King EnerTech System Corp.**, if this assignment and sale had not been made.

AND, **King EnerTech System Corp.**, hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all such Letters Patents to the said Assignee, in accordance with this instrument of assignment.

King EnerTech System Corp. hereby represents and warrants that there are no rights or interests outstanding inconsistent with the rights and interests granted herein and that **King EnerTech System Corp.** will not execute any instrument or grant or transfer any rights or interests inconsistent therewith, and **King EnerTech System Corp.** binds itself and its heirs, executors, administrators, employees and legal representatives, as the case may be, to execute and deliver to the said Assignee, its successors and assigns, any further documents or instruments and do any and all further acts that may be deemed necessary by the said Assignee, their successors and assigns to file applications for the said improvements and invention in any country where it may elect to file such applications, and that may be necessary to vest in the said Assignee, its successors and assigns, the title herein conveyed, or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

AND, **King EnerTech System Corp.** further covenants and agrees, in consideration of the premises, that it, its executors and administrators will, at any time upon request, communicate to the said Assignee, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to it or its successors and assigns, and that it will testify as to the same in any interference or other proceeding when requested to do so by the said Assignee, its successors and assigns.

The undersigned hereby grants Muncy, Geissler, Olds & Lowe, PLLC the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

IN TESTIMONY WHEREOF, **King EnerTech System Corp.** have hereunto set my hands and seal.
