**ASSIGNMENT AGREEMENT**

In consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, KATHERINE A. SMITH, an individual having an address of 936 Gandolf Way, Eureka, Missouri 63025, (hereinafter "Assignor") hereby assigns, transfers, and conveys to RAWLINGS SPORTING GOODS COMPANY, INC., a corporation created and existing under and by virtue of the laws of the State of Delaware, having a principal place of business at 510 Maryville University Drive, Suite 110, St. Louis, Missouri 63141, its successors, legal representatives, and assigns (hereinafter "Assignee"), the Assignor's entire right, title and interest in and to the invention for a MOLDED GAME BALL AND PROCESS OF MAKING THE SAME; in and to the patent application filed on the 9th day of July, 2012, and assigned Application No. 13/544,273 and to the provisional application filed on the 8<sup>th</sup> day of July, 2011, and assigned Application No. 61/505,792 and based thereon; in and to all patents to be issued pursuant to said application and any divisionals, continuations, continuations in part, extensions, renewals, and reissues thereof; and in and to all applications for patents or similar legal protection that may hereafter be filed for said invention in any country, all patents or similar legal protection that may be granted for said invention in any country and all extensions, renewals and reissues thereof or legal equivalent thereof.

Assignor hereby authorizes and requests the Director of Patents and Trademarks of the United States, and any official of any other country whose duty it is to issue patents or similar legal protection on said applications, to issue patents or similar legal protection for said invention to Assignee, the same to be held by Assignee for its own use and benefit, to the full end of the

term for which said patents or similar legal protection are or may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

Assignor hereby further agrees, upon the request of Assignee, to execute any and all applications for divisionals, continuations and/or continuations in part for said invention or improvements and any supplemental oath or declaration relating thereto, and any applications for the reissue or extension of any patent that may be granted upon said applications that Assignee may deem necessary or expedient. Assignor further agrees that in the event any said application, or patent issued thereon, becomes involved in an interference, upon request of Assignee, Assignor will cooperate to the best of her ability with Assignee in preparing the preliminary statement and giving and producing evidence in support thereof. Assignor hereby agrees to perform, upon such request, any and all affirmative acts to obtain said patents or similar legal protection, and vests all rights therein in Assignee as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made.

Assignor hereby covenants and warrants that as of the date hereof she is the true and lawful owner of the entire, right, title and interest in said invention, applications, and patents which may issue pursuant thereto, that she has the full right and power to convey the same, that the same are free and clear of all liens, charges and encumbrances whatsoever, and that she has not executed and will not execute any agreement in conflict herewith.
