ASSIGNMENT

Known all Men by these Presents:

That Whereas I,

Paul Swenson

, of

, County of

and State of

, have invented certain improvements in

METHOD OF THROTTLE-VALVING CONTROL FOR THE CO-EXTRUSION OF PLASTIC MATERIALS AS FOR MOLDING AND THE LIKE, AND APPARATUS THEREFOR

and have described and claimed the same in an application for Letters Patent of the United States therefor, said application having been executed by me of even date herewith, and under date of September 16, 1996, and filed in the US Patent and Trademark Office on September 27, 1996, under Serial No. 08/7720,385

Myfirma, a corporation duly organized and existing under and by virtue of the laws of the State of MASSACHUSETTS, and having a principal place of business at 3 CRAFTS RD, GLOUCESTER, in the said State of MASSACHUSETTS, hereinafter called the Company, is desirous of acquiring the entire and exclusive right, title and interest in, to and under the said invention, the said application for Letters Patent of the United States and any and all Letters Patent of the United States and of all other countries that may be granted for the said invention;

Now, Wherefore, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations to me paid by the Company, the receipt of which in full is hereby acknowledged, I, the said Paul Swenson, have sold, assigned, transferred and set over and by these presents do hereby sell, assign, transfer and set over unto the Company, its successors and assigns, the entire and exclusive right, title and interest in, to and under the said invention, the said application for Letters Patent of the United States, and any and all Letters Patent of the United States and all other countries that may be granted for the said invention, and all other patent rights that may be based thereon, including all renewals, divisions, reissues, continuations, and extensions thereof;

On Here, I do and Enjoy the same to the Company, its successors and assigns, to its and their own use and behoof, to the full end of the term or terms for which the said Letters Patent or other patent rights may be granted, as fully and entirely as the same might have been held and enjoyed by me if no sale or assignment thereof had been made.

And I hereby authorize and request the Commissioner of Patents or other proper governmental authority to issue all Letters Patent or other patent rights for the said invention resulting therefrom to the Company, its successors and assigns, in accordance with this assignment, as assigns of the entire right, title and interest therein and thereto, and covenant that I have full right so to do.

And for the considerations aforesaid, I agree that I will communicate to the Company, or its representatives, any facts known to me respecting the said invention, whenever requested, and will testify in any legal proceeding, sign all lawful papers, make all rightful oaths, and generally do everything possible to aid the Company, its successors, assigns and nominees, to obtain and enforce proper patent protection for the said invention in all countries, or to perfect or defend its or their title in the premises.

Witness my hand and seal at Gloucester, MA
this 16th day of September, 1996.

- Paul Swenson
