Exhibit D

PATENT ASSIGNMENT

The undersigned is a representative for MedicineLodge, Inc., organized and existing under the laws of the State of Delaware, having a place of business at 124 South 600 West, Logan, Utah 84321, doing business as "IMDS Co-Innovation" (the "Assignor"), which holds the entire right, title, and interest in the patent applications listed on Appendix A.

Howmedica Osteonics Corp., a New Jersey corporation with an office at 325 Corporate Drive, Mahwah, New Jersey 07430 and acting through its Stryker Spine division (the "Assignee"), desires to secure the entire right, title and interest in said applications listed on Appendix A, attached hereto, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefrom and thereon;

NOW, THEREFORE, be it known by all whom it may concern, that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged.

ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

The entire right, title and interest in and to the provisional, patent and PCT applications identified in Exhibit A hereto and the inventions therein (the "Properties"), to have and to hold the same, unto Assignee for its own use and enjoyment and for the use and enjoyment of its successors and assigns, for the full term or terms of all such rights, including the right to sue for and collect past damages. The assignment of the Properties shall include the entire right, title and interest in and to the Properties for the United States of America and all other countries, including all original provisional or utility, design, divisional, continuation, continuation-in-part, substitute, reissue, extensions of patents granted thereon, or any other applications for patents or equivalent protection applied for or granted therefor in the United States of America and all other countries.

The right to file domestic patent applications under the laws of the United States that claim the benefit of any of the foregoing applications, and to file foreign patent applications on said inventions in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

1149609-1

I hereby authorize and request the United States commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents directed to the Properties to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to the Assignor, to sign all lawful papers and to perform all other lawful acts which the Assignee may request to make this assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all United States and foreign patent applications directed to the Properties, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, infringement or other proceedings involving the Properties.

This agreement shall be binding upon the Assignor, MedicineLodge, Inc., doing business as "IMDS Co-Innovation," and any subsidiaries and/or holding companies thereof.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Patent Assignment to be duly signed on its behalf.
