ASSIGNMENT AND AGREEMENT

For value received, I, **SIEGBERT TILLNER** of **Danziger Strasse 9, 57339 Erndtebrueck, GERMANY** hereby sell, assign and transfer to **ESSEX EUROPE** having a place of business at **L'Europeen Parc Tertiaire de la Croix, rue Jean Monnet, F-60200 Compiègne FRANCE** and their successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to

**METHOD FOR PRODUCTION OF AN ELECTRICAL WINDING, AND ELECTRICAL CONDUCTOR**

described in application No. **13/696,708** for (Letters Patent of the United States/PCT Application); all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions, including continuation, divisional and continuation-in-part applications; and I/we also concurrently hereby sell, assign and transfer to **ESSEX EUROPE** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize **ESSEX EUROPE** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **ESSEX EUROPE** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to **ESSEX EUROPE** in the United States and in all countries foreign to the United States, or to such nominees as **ESSEX EUROPE** may designate.

I agree that, when requested, we shall, without charge to **ESSEX EUROPE**, but at its expense, sign all papers, and do all acts which may be

necessary, desirable or convenient in connection with said applications, patents, or other forms of protection. I/We further grant the right of **ESSEX EUROPE** the ability to sign such papers required for the execution of such papers in the case I am unavailable or not-contactable for such signature(s).

I hereby declare the following:

(1) the above identified application was made or was authorized to be made by me; and

(2) I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I acknowledge that any willful false statement made in such declaration or statement is punishable under section 1001 of title 18 by fine or imprisonment of not more than 5 years, or both.

Date:
