INDIVIDUAL-TO-CORPORATE ASSIGNMENT OF PATENT RIGHTS

I, PETER WARDENBURG (hereinafter referred to as "Assignor"), a resident of Petaluma, California and a citizen of the United States of America, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, have assigned and do hereby assign to HYDROFARM, INC., a corporation formed and existing under the laws of the State of California and having a principal place of business at 2249 South McDowell Extension, Petaluma, California, 94954, USA, (hereinafter referred to as Assignee), its successors, assigns and legal representatives, the entire right, title and interest in and to all subject matter invented by me and disclosed in the following application for Letters Patent of the United States of America:

United States Design Patent Application Serial No. **29/428,079**

Title: **DUAL RECEPTACLE**

Filing Date: **July 25, 2012**

I further assign to Assignee all right, title, and interest in and to the above-identified patent applications, as well as any non-provisional patent applications based on the above-identified patent applications, including divisions, reissues, continuations and extensions thereof; as well as any foreign applications claiming priority to the above-indicated patent application; and in and to all Letters Patent and all Convention and Treaty Rights of all kinds, in all countries throughout the world, for all such subject matter.

I hereby authorize and request that the Patent Office Officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee, as the Assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of said Assignee, its successors and assigns.

Further, I agree that I will communicate to said Assignee, or its representatives, any facts known to me respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all divisions, continuations, substitution, renewal and reissue applications, execute all necessary Assignment papers to cause any and all of said Letters Patent to be issued, make all rightful oaths and generally do everything necessary or desirable to aid said Assignee,
