## ASSIGNMENT

I/we, whose residence, mailing address and citizenship are as stated below next to my/our name(s), I/we made certain new and useful inventions and improvements which are described in an application for U.S. Letters Patent entitled

### FLASH SYSTEM FOR MULTI-APERTURE IMAGING.

I/we hereby authorize and request the attorneys or agents handling this application, at De Vries & Metman, located at Overschiestraat 180, 1062 XK Amsterdam, The Netherlands, to insert here in parentheses the serial number of said application (Ser. No.: 13/810,227), the filing date of said application (Application Filing Date: January 15, 2013), and filing date of any preliminary amendment (Preliminary Amendment Filing Date: January 15, 2013) when known.

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned do hereby:

SELL, ASSIGN AND TRANSFER to **Dual Aperture, Inc.**, (the "Assignee"), a corporation of the Country of United States of America, having a place of business at **890 Robb Road, Palo Alto, CA 94306, United States of America**, the entire right, title and interest for the United States and all foreign countries in and to: any and all inventions and improvements which are disclosed in the identified application for U.S. Letters Patent, and which may be further identified below; such application and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States (including all provisional and non-provisional applications), and in all foreign countries on any of such inventions and/or improvements (including any applications for utility models); all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such inventions and/or improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and to claim priority based on the identified application;

AUTHORIZE AND REQUEST that any attorney or agent associated with United States Patent and Trademark Office Customer No. 90057 may (directly or through his/her designee) delete, insert, or alter any information identifying this application, or any related application, below, after execution of this Assignment;
