ASSIGNMENT

WHEREAS, Dana W. Gleason, Jr., having a residential address of 409 East Olive Street, Bozeman, Montana 59718, U.S.A. (the "Assignor"), is the inventor of a certain new and useful invention (the "Invention") relating to a:

BACKPACK FRAME SYSTEM

for which a continuation-in-part application was filed on July 31, 2009 as U.S. Patent Application Serial No. 12/533,983 (the "Application"); and

WHEREAS, Assignor is the owner and in full possession of the entire right, title and interest in and to said Invention, in and to said Application and in and to any and all Letters Patent that may be granted therefor; and

WHEREAS, Mystery Ranch, Ltd., a corporation duly organized under the laws of the State of Montana (the "Assignee"), having its principal office and place of business at 1750 Evergreen Drive, Bozeman, Montana 59715, U.S.A., is desirous of acquiring the entire right, title and interest in and to said Invention, said Application, and any and all Letters Patent that may be granted therefor; and

NOW, THEREFORE, to all whom it may concern, be it known that, for \$1.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign and transfer unto said Assignee, the entire right, title and interest within the United States, its territories and possessions, and all foreign countries, in and to said Invention, said Application, and any and all Letters Patent that may be granted therefor in the United States, its territories and possessions, and all foreign countries, together with any and all provisional, non-provisionals, continuations, continuations-in-part, divisions, reissues, renewals, reexaminations, substitutes or extensions thereof, and including all rights to claim priority, and Assignor does hereby authorize and request all appropriate domestic and foreign patent or government authorities in foreign countries to issue in accordance with this Assignment any and all Letters Patent that may be granted, either on said Application or otherwise for said Invention.
