ASSIGNMENT

THIS ASSIGNMENT, made by us, MARK HORTON, citizen of the United States of America, residing at 10010 Brixton Place, Suwanee, Georgia 30024 US; and CHRISTOPHER T. SCHENKEN, citizen of the United States of America, residing at 120 Westchester Way, Alpharetta, Georgia 30005 US;

WITNESSETH: That,

WHEREAS, we are the inventors of certain new and useful improvements in **SYMBIOTIC SYSTEM FOR TESTING ELECTROMAGNETIC SIGNAL COVERAGE IN AREAS NEAR TRANSPORT ROUTES** for which an international application under the Patent Cooperation Treaty (PCT) has been filed in the Receiving Office of the United States Patent and Trademark Office and for which a U.S. application has been separately filed in the U.S. Patent and Trademark Office. The international application bears Application No. PCT/US2004/030934, and was filed on 22 September 2004. International Application No. PCT/US2004/030934 claims priority of U.S. Application Nos. 60/505,036, filed 22 September 2003; 60/505,822, filed 24 September 2003; and 10/763,875, filed January 23, 2004. Both the international application and the U.S. applications will hereinafter be referred to as the subject applications.

WHEREAS, UNITED PARCEL SERVICE OF AMERICA, INC. a Delaware corporation having a principal place of business 55 Glenlake Parkway, N.E., Atlanta, Georgia 30328 USA, hereinafter referred to as assignee, is desirous of confirming its ownership of the entire right, title and interest in and to said invention as described in the subject applications, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer and convey unto the said assignee, its successors and assigns, the entire right, title and interest in and to the said invention and the subject applications, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or extensions thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim the priority of the subject applications in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said

assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not be made.

We hereby request that said Letters Patent be issued in accordance with this assignment.

We further covenant and agree that, at the time of the execution and delivery of these presents, we possess full title to the invention and the subject applications above-mentioned, and that we have the unencumbered right and authority to make this assignment.

We further covenant and agree to bind our heirs, legal representatives and assigns, promptly to communicate to said assignee or its representatives any facts known to us relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns and other legal representatives.

IN WITNESS WHEREOF, we have hereunto set our hands and seals on this 23
day of November, 2004.

Mark Horton (SEAL)
MARK HORTON

STATE OF Georgia)
COUNTY OF Fulton)

I, Christi Goddard, a Notary Public for said County and State, do hereby
certify that MARK HORTON personally appeared before me this day and acknowledged the
due execution of the foregoing instrument.

Witness my hand and official seal, this the 23 day of November,
2004.
