ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, the undersigned,

Hereby sell, assign and transfer to MBDA UK Limited
, a corporation of England and Wales , having a place of business at Six Hills Way,
Stevenage, Hertfordshire, SG1 2DA, United Kingdom , its successors, assigns and legal
representatives, the entire right, title and interest for all countries, in and to any and all
improvements which are disclosed and claimed, and as possessed by the undersigned, any
and all improvements which are disclosed but not claimed, in the application for United
States Patent

executed concurrently herewith

executed on _____

Serial Number: _____ filed

and is entitled

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and
all other applications for Letters Patent which have been or shall be filed on any of said
improvements disclosed in said application; and in and to all original and reissued patents
which have been or shall be issued on said improvements;

Authorize and request the Commissioner of Patents to issue to said Assignee,
the corporation above named, its successors, assigns and legal representatives, in accordance
with this assignment, any and all United States Letters Patent on said improvements, or any
of them, disclosed in said application;

Agree that, when requested, without charge to but at the expense of said
Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent

and purpose of this assignment, the undersigned will, for the United States, execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee its successors, assigns and representatives, all facts known to the undersigned relating to said improvements and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
