ASSIGNMENT

ASSIGNORS: Donald J. Schwarz
Seth Kasper
Ron Marek
Graeme Struthers

ASSIGNEE: Haemonetics Corporation
400 Wood Road
Braintree, MA 02184

TITLE: Blood Plasma Storage bottle with Locking Cap

ATTORNEY DOCKET NOS.: 1611/A60 and 1611/A60WO

U.S. APPLICATION NO.: 13/696,956

INTERNATIONAL APPLICATION NO.: PCT/US2010/034569

INTERNATIONAL FILING DATE: May 12, 2010

Assignor is a joint inventor of a certain new and useful invention (the "Invention") described in an international application bearing the above International Application No. and having the above title and in a United States patent application bearing the above attorney docket number and having the above title (collectively the "Applications"). If a filing date and application number are shown, the Application has a Patent and Trademark Office filing date and application number as indicated above.

For valuable consideration, receipt and sufficiency of which are acknowledged, each Assignor hereby assigns to Assignee (which term shall include Assignee's successors and assigns), all of Assignor's right, title and interest in the Invention, all improvements therein, the Applications and all priority rights arising therefrom, and any patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Applications; any application that claims priority from the Application (including as a national phase application from one of the Applications, a divisional, continuation-in-whole or continuation-in-part, or as an application claiming priority from a provisional application); or any application based in whole or in part on any of the foregoing.

Each Assignor further agrees that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee. Each Assignor further agrees that such Assignor will, without further compensation to Assignor during the term of such Assignor's employment by Assignee and thereafter for reasonable compensation as determined by Assignee, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee.

IN WITNESS WHEREOF, each Assignor hereby executes this instrument on the date set forth below.
