as described and set forth in U.S. Design Patent Application Serial No. 29/417874, filed on April 10, 2012, preparatory to obtaining Design Letters Patent of the United States therefor; and

WHEREAS, RJJ Boekema Holding & Management BV ("Assignee"), a company organized and existing under the laws of The Netherlands, located and doing business at Permekestraat 3, 7312 TB Apeldoorn, The Netherlands, is desirous of acquiring the entire right, title, and interest in and to said invention, said application, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof; and

WHEREAS, the current assignment corrects the earlier assignment by me dated April 23, 2012 and recorded with the U.S. Patent and Trademark Office at Reel/Frame 028363/0448 which inadvertently identified the Assignee as RJJ Boekema Management & Holding, BV, a true and accurate copy of that assignment being attached hereto as Exhibit A:

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over, unto the Assignee, its successors and assigns, the entire right, title and interest in and to said invention, design application executed of even date herewith, and any Design Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, all my foreign rights to said invention, and all our rights under the International Convention in respect to said invention and application. And Assignor hereby agrees to communicate to the Assignee or its representatives any facts known to us respecting said invention and improvements, to testify in any legal proceeding relating thereto, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and in addition to execute any and all documents that may be required in order that the Assignee may make application for Letters Patent on said invention in foreign countries in its own name. And Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for or upon said invention or applications unto the Assignee, its successors and assigns, in accordance with this assignment.
