UNITED STATES DESIGN PATENT ASSIGNMENT

WHEREAS, Harold A. Abrams, an individual and citizen of Canada having a mailing address at 6700 Thimens, Montreal, Quebec, Canada H4S 1S5 (hereinafter "Assignor") is the sole and exclusive owner of all right, title and interest in and to the United States Design Letters Patents listed on Exhibit A, which is expressly incorporated herein by reference in its entirety to form part of this instrument (collectively the "Patents"); and

WHEREAS, Murray Sales Inc., a corporation organized under the laws of Canada having a place of business at 6700 Thimens, Montreal, Quebec, Canada H4S 1S5 (hereinafter "Assignee"), is desirous of acquiring all right, title and interest of Assignor in, to and under the Patents and the ornamental designs and improvements described, illustrated and/or claimed therein (the "Designs").

NOW, THEREFORE, in consideration of the sum of ten Canadian Dollars (\$10.00 Canadian) and other good and valuable consideration, the receipt, sufficiency and reasonably equivalent value of which are hereby mutually acknowledged, Assignor, on behalf of himself and his heirs, legal representatives, executors and assigns, does hereby irrevocably and unconditionally sell, assign, transfer and convey unto Assignee, its successors and assigns, all worldwide right, title and interest in and to the Patents and the Designs, together with and including all worldwide right, title and interest in and to: (i) any and all re-examinations, re-issues and extensions of the Patents; (ii) any and all improvements to the Designs described in and covered by the Patents; (iii) any and all counterparts or legal equivalents of the Patents in any foreign country(ies), including the right to claim priority under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperative Union, European Patent Convention, Common Market Convention, or any other Convention or Union for each country of said Convention or Union; and (iv) the sole and exclusive right to sue and recover damages and

any and all other legal and equitable remedies available for any past infringement(s) of the Patents, the foregoing all for the use and enjoyment of Assignee, its successors and assigns to the end of the term of the Patents and each of the above-referenced re-examinations, re-issues, extensions, and counterparts, as fully and entirely as the same would have been held and enjoyed by Assignor and his respective heirs, legal representatives, executors, and assigns if this sale, assignment, transfer and conveyance had not been made.

AND, FURTHER, Assignor represents and warrants to Assignee that he has full right to convey his interest herein assigned, and has not executed, and will not execute, any assignments or agreements inconsistent herewith.

IN WITNESS WHEREOF, Harold A. Abrams has caused this instrument to be executed on this 23 day of January, 2013.
